

Home activity packs

Think you know CEOP?

[This page](#) has been created to support parents during COVID-19 and the closure of schools.

Each fortnight, we will be releasing new home activity packs with simple 15 minute activities you can do with your child to support their online safety at a time when they will be spending more time online at home.

Once you have read the Helpsheets, click on the links below to download your first home activity packs for each age range.

Each pack contains two 15 minute activities to do with your child, using Thinkuknow resources. The next two will be released in a fortnight's time.
