

Accessibility Plan

An annual Accessibility Audit is undertaken by the Facilities, Health and Safety Manager which involves students and staff to inform improvement work e.g:

Improvement Work

2020 - 2023	
Location and works to be carried out	
Adjustable height table available in the D&T dept	Completed
Adjustable height equipment in the Home Economics department	Completed
Access difficult for the less mobile – corridor door design and self-closers in c block	Completed
Accessible outside space and access to Peace Garden. The Peace Garden is not raised or stepped; access is wide enough to accommodate wheelchairs.	Completed
Hearing/visual impairment – evacuation bells: All evacuation bells are linked with flashing red warning light. These are both internal and external	Completed
Gender neutral toilets	Completed
New dining area, the Huddle has an access ramp in and out of the building	Completed
A new SEN motorised changing table	Completed
Addition of a third minibus with access ramps and an additional bus route to pick-up/drop off students at the train station	Completed

Planned Improvements 2023 onwards

Reviewing the walkways, paths and routes around the school looking at raised flags, tree roots, and other potential hazards
