## VACANCY

Teacher of Science

**Full Time, Temporary Contract  
MPS/UPS**

**Plus membership of the Teacher's Pension Scheme  
Required for April 2025 until Jan 2026**

We are seeking to appoint an enthusiastic, hard-working and talented teacher to join our Science team. The ideal candidate would have the energy and commitment to inspire our young people by delivering science across all three subjects at KS3 and be able to teach Chemistry at KS4. The successful candidate will work alongside a wonderful team of experienced science teachers.

The Bishops' Blue Coat CE High School is a high achieving and forward-thinking school, which is oversubscribed and enjoys an excellent reputation. We are committed to ensuring excellent learning and teaching in a caring environment.

If you are interested in this post then please complete a Teacher Application form, available from our website and submit along with a letter of application by Wednesday 29<sup>th</sup> January. We may close this vacancy earlier if suitable applications are received.

Interviews will be scheduled once shortlisting is complete.

Should you have any queries regarding the role please contact [vacancies@bishopschester.co.uk](mailto:vacancies@bishopschester.co.uk)

The Bishops' Blue Coat CE High School is committed to all aspects of safeguarding, any offer of employment is subject to satisfactory pre-employment checks.

## THE DEPARTMENT

Teacher of Science

### The Team

The science department are a dedicated, professional and effective team committed to raising the attainment of all pupils. The staffing in the faculty has been stable for many years, with several of the science staff holding departmental or whole school leadership positions and are a team of very experienced teachers supported by two technicians. Within the department, the structure is one Deputy and two Assistant Heads of Science under the leadership of the Head of Science.

### Facilities

Science teaching takes place in a separate Science block consisting of nine teaching laboratories. The department is fully equipped with interactive whiteboards to ensure up-to-date digital teaching within the lessons. There are two well-equipped preparation rooms and a science teacher resource area and office space.

### The Curriculum

At Key Stage 4 students follow the AQA Combined Science (Trilogy) GCSE course, or they can select to take the Separate Science GCSEs as part of the options process. In Sixth Form, all three sciences are offered, with good take up of these subjects. Students follow AQA A-level courses in Chemistry and Physics, and Edexcel B in Biology.

During Key Stage 3, students follow the AQA science curriculum which is a mastery-based curriculum where the complexity of the topics increases across the three years. This is split into 10 big idea headings such as matter, reactions and energy, each of which are visited twice during KS3. This ensure students have embedded the substantive knowledge, to give them confidence when progressing in our 7-year journey but also builds their enquiry-based knowledge and enables students to work scientifically.

## JOB DESCRIPTION

### Teacher of Science

#### Role: Teacher of Science

**Management:** The Post holder will be line managed by a TLR holder within Science. The postholder will not have responsibility for managing other staff.

#### CLOSING DATE

9am on  
29/01/2025
