

School Accessibility Plan (2026–2029)

1. Introduction

This Accessibility Plan sets out how the school will improve accessibility for students, staff, parents, and visitors with disabilities over the next three years. It is based on the findings of the 2026 Accessibility Audit and meets the school's duties under the Equality Act 2010.

2. School Context

- Recent improvements:

- Resurfaced entrance paths (Summer 2025)
- Refurbished third Food Tech room with height-adjustable bay
- Further resurfacing in front of B Block scheduled for completion by 31 August 2026.

3. Physical Environment: Actions

- Resurface flagged area in front of B Block (Deadline: August 2026)
- Complete lighting replacements project (Deadline August 2026)
- Refurbishment of 3 science labs to include improved accessibility (Commencing summer 2026 as funds and capacity allow)

4. Curriculum Access: Actions

- SEND training annually

5. Information & Communication Accessibility

- WCAG 2.1 AA website compliance review by October 2026
- Update accessibility statement by Easter 2026

6. Emergency Evacuation

- refresh staff training on evac-chair use by August 2026

7. Monitoring

Progress reviewed termly by facilities health and safety manager and reported annually to the Governing Body.
